# Earn 5% of your friends purchases and 2.5% of their friends purchases with the Referral Rewards Program

To you, your family and loved ones we would like to extend our best wishes and Happy Holidays. We hope each of you celebrates in your way the closing of one year and the beginning of brand new possibilities in another.

The last year has continued to show how the pharmaceutical industry has made it ever more challenging for their customers to afford the medications they need. Again and again, examples come forward of companies whose profit-at-any-cost mentality is risking the health of many. This profit focused attitude reinforces for me the value of the service that we are so proud to provide every day.

The United States has also elected a new government. This government made reining in drug prices part of their platform, including opening up the importation of medication from Canada. Here is to hoping that they resist the pressure of the pharmaceutical lobby and follow through. Perhaps, finally, the bi-partisan bills brought forward by Senators John McCain and Amy Klobuchar recommending greater access to certified international online pharmacies will gain the traction needed to become law.

Regardless of the outcome, you have my commitment that we will continue to provide the safest medications from the Tier 1 supply chains of Canada, the UK, New Zealand and Australia. We continue to push every day to make ordering from us easier and as reliable as it possibly can be. I am very proud of the team we have built here at Canada Drugs, as they all share in this commitment to you, our patients.

From our family to yours, Canada Drugs would like to sincerely thank you for your patronage. We hope that 2016 was a great year for you and that you find love, peace, joy, and happiness in the year ahead. Our management team, staff, and distributors wish you the very best and look forward to providing you with unsurpassed service in the New Year.
